

## **What I'm living for**

The eternal question: What the heck we all living for?  
What's the meaning and purpose? Have I lived before?  
I went from curious - to - I need to know  
Looked within. That was it. I was good to go  
Felt the Love rushing all over me  
Learned I wasn't living quite like I was supposed to be  
Felt like God was roasting me. But I needed the kick in the ass  
To get my mind straight. Set goals to achieve  
Now I walk with a purpose, emitting positive vibes  
Telling everyone it's more fun when we enjoy the ride  
Think it's time to put the gloves aside  
See what happens when I just let go and give Love a try  
Want to help increase the Love supply  
So I'm gonna be kind and spread a message of Love till I die  
That's when it feels right, when I'm in that place of Love  
It's as easy as reaching out to embrace the Love

That's what I'm living for  
That's what I'm living for  
Getting what I'm giving so I'm giving more  
Showing us Love's the One thing we all share for sure

That's what I'm living for  
That's what I'm living for  
Getting what I'm giving so I'm giving more  
Showing us Love's the One thing we all share for sure

Now I'm living for the right to be me  
Hoping you can feel me even when you can't see me  
Wanting everyone to be free, to be the best version of themselves  
For me it's learning to trust Love completely  
Even when it isn't packaged so neatly  
Remembering I'm you, he's her, she's me. We  
Different branches of the same tree  
Same roots, but that's the stuff that we can't see  
Hard to explain why it feels so right inside  
It's what helps me to focus on enjoying the ride  
I'm pretty sure that's why Love reigns supreme  
Permeates and vibrates through every single human being  
Makes me want to spread it everywhere  
Watch the Peace increase with so much Love in the air  
I wasn't put on this earth just to tap out now.  
So I'm a rap out loud to these crowds. Make Mom & Dad proud

That's what I'm living for  
That's what I'm living for  
Getting what I'm giving so I'm giving more  
Showing us Love's the One thing we all share for sure

That's what I'm living for  
That's what I'm living for  
Getting what I'm giving so I'm giving more  
Showing us Love's the One thing we all share for sure

Living to learn and let my Soul grow  
Making better choices every day and letting it show  
That's when I act with the right intentions  
Those good vibes arrive and stimulate my senses  
Like a natural high for me  
Which would make Love a drug I can tap into for free  
Don't even need an IV. Just an open heart  
To start feeling it, then dial it up to the Nth degree  
It's become easier for me to do  
Claiming to my own self I will be true  
To you, and everyone else right down the line  
When I'm kind, it's amazing the amounts of love that I find  
We're swimming in it, and there isn't a limit  
To how much we get when we give it  
Spilling out Love like I'm in it to win it  
Enjoying every single minute of it. Love is infinite

That's what I'm living for  
That's what I'm living for  
Getting what I'm giving so I'm giving more  
Showing us Love's the One thing we all share for sure

That's what I'm living for  
That's what I'm living for  
Getting what I'm giving so I'm giving more  
Showing us Love's the One thing we all share for sure
